BOARD OF ETHICS AND GOVERNMENT ACCOUNTABILITY**

Office of Government Ethics

D.C. Lobbying Requirements

Lobbyists

(D.C. Code §§ 1-1162.27-
1-1162.32)

Applicability

BEGA Statute:

- **The Ethics Act**
- **Jurisdiction**

BEGA Structure:

- **Five-member Board**
- **Office of Open Government**
- **Office of Government Ethics**

WHO IS A LOBBYIST?

- A lobbyist is any person who engages in lobbying.
- “Lobbying” means communicating directly with any official in the legislative or executive branch of the District government with the purpose of influencing any legislative action or an administrative decision.

[D.C. Code § 1-1161.01](#)

5 LOBBYING IN THE DISTRICT OF COLUMBIA

Lobbying Defined

Example of “lobbying” activity that would require registration and filing of reports with BEGA:

- ABC Company opposes legislation that would set the District’s hourly minimum wage to \$16.10. It pays a lobbyist firm (“Firm”) \$5,000, to help it in communicating with District officials regarding its opposition to the legislation. Firm communicates with various councilmembers regarding opposition to the bill.
- ABC Company and Firm must register as lobbyists with BEGA because they expended and received over **\$250**, respectively, for lobbying. All expenditures related to this matter and any meetings or communications between the firm and the councilmembers regarding the opposition to the legislation must be disclosed on lobbying activity reports.

ADVOCACY VS. LOBBYING

- While all lobbying is advocacy, not all advocacy is lobbying
 - Advocacy is any action that speaks in favor of, recommends, argues for a cause, supports or defends, or pleads on behalf of others
 - The key aspect of lobbying in D.C. is the direct contact with D.C. government agencies or officials with the purpose to influence a legislative action or administrative decision
- Whether your contact with D.C. government is advocating or lobbying, sharing the public's insight on matters is welcome
 - Just remember that if you were paid \$250 or more for your advocacy within a three-month reporting period for your contact with D.C. government, you may have to register!

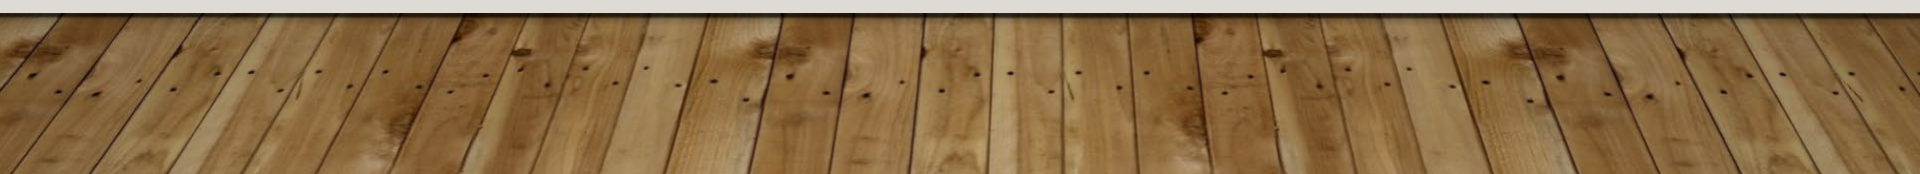

7 LOBBYING IN THE DISTRICT OF COLUMBIA

Lobbying Defined

What is **not** “Lobbying”:

- The appearance or presentation of written **testimony** by a person on his or her own behalf, or representation by an attorney on behalf of any such person in a rulemaking (which includes a formal public hearing), rate-making, or adjudicatory hearing before an executive agency or the Tax Assessor;
- **Information supplied in response to written inquiries** by an executive agency, the Council, or any public official;
- **Inquiries concerning only the status of specific actions** by an executive agency or the Council;
- **Testimony given before the Council or a committee of the Council**, during which a public record is made of such proceedings or testimony submitted for inclusion in such a public record;
- A communication made through the instrumentality of a newspaper, television, or radio of general circulation, or a publication whose primary audience is the organization’s membership; and
- Communications by a bona fide political party;
- These types of communications would not require registration.

D.C. Official Code § 1-1161.01(32)(B).

8 LOBBYING IN THE DISTRICT OF COLUMBIA

Lobbying Defined Continued

What is **not** “lobbying”:

- **Grassroots communications:** The act of asking the general public to contact public officials concerning issues and legislation.
 - Does not involve “direct” communication between public officials and the underlying lobbying entity.
 - Persons having the direct communications with public officials are not compensated.
- A non-profit supports \$16.10 minimum wage legislation and encourages the public to speak with District officials in support of it. Members of the public who communicate with District officials in support of this bill are engaging in lobbying, because they are having direct communications with District officials with the intent to influence legislation, **but**, they do not have to register as lobbyists because they are not receiving compensation for these communications. The non-profit would not need to register as a lobbyist in this effort alone. If a registered lobbyist did not have any direct communications with public officials regarding this matter, then it would not have to report this activity on its lobbying activity report.

9 LOBBYING IN THE DISTRICT OF COLUMBIA

Lobbying Defined Continued

What is **not** “lobbying” activity that would require registration with BEGA:

- **Procurement communications:**
 - Communications with District officials regarding government contracting or a purchasing decision are not “lobbying”
 - There must be an ***intent to influence legislative action or administrative decision***.
 - Example:
 - A company hires a firm to assist it in influencing the contents of a District RFP and submitting a bid proposal to the District. The company wins the contract and the firm interfaces with a District agency regarding the status of the contract award and later regarding invoice issues. None of these communications/interactions with the District amount to “lobbying,” because there is no intent to influence legislative action or an administrative action.
- **EXCEPTION:** Contracts in excess of \$1 million (during a 12-month period) require Council review and involve legislative action (through the introduction of a resolution either approving or disapproving the proposed contract). See D.C. Official Code § 2-352.02.

10 LOBBYING IN THE DISTRICT OF COLUMBIA

Lobbying Defined Continued

What is **not** “lobbying” activity that would require disclosure on a lobbyist activity report:

- **Scheduling communications:**
 - Communications with District officials to set up a meeting with a public official.
 - This alone is not “lobbying,” and would not need to be disclosed in lobbying activity reports.

 - A person who receives compensation from more than one source shall register under this section if the person receives an aggregate amount of \$250 or more in any 3-consecutive-calendar-month period for lobbying.

- An entity specified in [§ 47-1802.01\(4\)](#), whose activities do not consist of lobbying, the result of which shall inure to the financial gain or benefit of the entity.

CIVIL PENALTY FOR FAILURE TO REGISTER OR FILE ACTIVITY REPORTS

D.C. CODE § 1-1162.32

- Notwithstanding § 1-1162.21 and except as provided in subsection (c) of this section, any person who willfully and knowingly violates any of the provisions of this part shall be fined not more than \$5,000, or imprisoned for not more than 12 months, or both.
- Any person who files a report or registration form required under this part in an untimely manner shall be assessed a civil penalty of \$10 per day up to 30 days (excluding Saturdays, Sundays, and holidays) that the report or registration form is late. The Board may waive the penalty imposed under this subsection for good cause shown.
- *As a courtesy, BEGA will send notice to all registrants to remind them of upcoming due dates for Activity Reports.*
