Dear Mr. Sommer:

This responds to your Freedom of Information Act (FOIA) request of November 13, 2013, in which you seek copies of all documents related to case No.: **1055-001** (In Re: Marion Barry).

Upon review of the documents, your request for files related to case No.: **1055-001** is granted in part and denied in part. Pursuant to D.C. Official Code §2-531, enclosed are all related correspondence, reports, contract award details, statements, and the final disposition issued by the Board of Ethics and Government Accountability.

Upon my review, investigator notes related to the above referenced file number are exempted from disclosure pursuant to D.C. Official Code §2-534(a)(3)(E).

Accordingly, the documents are available for pick up at the Board of Ethics and Government Accountability, 441 4th Street, NW, Suite 830 South.

If you disagree with this finding, you may submit an administrative appeal to the Mayor. The appeal must be in writing and must include a copy of the original request as well as a copy of the denial letter issued to you. The appeal must include a written statement of the arguments, circumstances, or reasons in support of the information sought by your request. The appeal letter must include "Freedom of Information Act Appeal" or "FOIA Appeal" in the subject line of the letter as well as marked on the outside of the envelope.

You may submit the appeal via email to: Mayor@dc.gov or by U.S. Postal Service to:

Mayor's Correspondence Unit
FOIA Appeal
1350 Pennsylvania Ave, NW
Suite 316
Washington, DC 20004

A copy of the appeal must be provided to the Board of Ethics and Government Accountability at www.bega.dc.gov or mail via U.S. Postal Service to:

Board of Ethics and Government Accountability
441 4th Street, NW
Suite 830S
Washington, DC 20001

Sincerely,

/s/ Traci L. Hughes

TRACI L. HUGHES, Esq.

PUBLIC FINANCIAL DISCLOSURE STATEMENT

Each public official subject to the District of Columbia Board of Ethics and Government Accountability Establishment and Comprehensive Ethics Reform Act of 2011 (D.C. Official Code Section 1-1162.24 (2012 Supp.)), is required to complete and submit this Public Financial Disclosure Statement (PFDS) to the Board of Ethics and Government Accountability (BEGA) annually, not later than May 15th of each year for the prior calendar year. A public official must also complete and submit a PFDS within 90 days of the end of their appointment to office, if the filer ceases to serve prior to May 15th of any year.

All questions on this PDFS should be answered for the prior calendar year. If the form is submitted as an Amendment, answer only the question to which there is a change in information. Please read the General Instructions at www.bega.dc.gov.

F&L Construction			\$4,000.00	

VERIFICATION

By signing this affidavit before a witness, I hereby swear (or affirm) that to the best of my knowledge and belief, I have not caused title to property to be placed in another person or entity for the purposes of avoiding disclosure;

I further swear (or affirm) that I have:

- Filed and paid my income and property taxes;
- Diligently safeguarded the assets of the taxpayers and the District;
- Reported known illegal activity, including attempted bribes, to the appropriate authorities;
- Not been offered or accepted any bribes;
- Not directly or indirectly received government funds through illegal or improper means;
- Not raised or received funds in violation of federal or District law; and
- Not received or been given anything of value, including a gift, favor, service, loan gratuity, discount, hospitality, political contribution, or promise of future employment, based on any understanding that my official actions or judgment or vote would be influenced.

YOU MUST SIGN THIS FORM. Read the following carefully before you sign. I understand that the making of a false statement on this form or materials submitted with this form is punishable by criminal penalties pursuant to D.C. Official Code § 22-2405 et seq. (2001). I understand that any information I give may be investigated as allowed by law or Mayoral order. I certify that, to the best of my knowledge and belief, all of my statements are true, correct, and complete.

Office of Government Ethics

In Re: Marion Barry
Case No.: 1055-001

NEGOTIATED DISPOSITION

Pursuant to D.C. Official Code § 1-1162.21(a)(4)(E)¹ of the Board of Ethics and Government Accountability Establishment and Comprehensive Ethics Reform Amendment Act of 2011 (“Ethics Act”), effective April 27, 2012, D.C. Law 19-124, D.C. Official Code § 1-1161.01 et seq., the Office of Government Ethics (“OGE”) hereby enters into this Negotiated Disposition Agreement with the Respondent, Marion Barry. Mr. Barry agrees that the resulting Negotiated Disposition Agreement is a settlement of the above-titled action, detailed as follows:

I. FINDINGS OF FACT

Mr. Barry currently is a District of Columbia Councilmember and was a Councilmember for the period January 1, 2012, through December 31, 2012. As a Councilmember, Mr. Barry was required to file a Public Financial Disclosure Statement (“FDS”) for calendar year 2012, on or before May 15, 2013. Mr. Barry filed his Public FDS on May 15, 2013. In response to Question 8, which states, “Please list all gifts you received from a prohibited source in an aggregate value of \$100 in a calendar year,” Mr. Barry listed a \$2,800 gift from Forney Enterprises, Inc.,² and a \$4,000 gift from F & L Construction.

With respect to Forney Enterprises, Inc., Mr. Barry acknowledges that he was aware that Forney Enterprises, Inc. was or had been either a contractor or subcontractor with various District agencies. In fact, Forney Enterprises, Inc. performed work on a Department of General Services contract for Design-Build Services for Leckie Elementary School and two change orders totaling approximately \$1.8 million came before the D.C. Council for a vote in 2013. Forney Enterprises, Inc., therefore, is a prohibited source, which Mr. Barry acknowledged when he listed the \$2,800 gift from Forney Enterprises, Inc. in response to the question concerning gifts from prohibited sources.³

With respect to F & L Construction, Mr. Barry acknowledged that he knew that F & L Construction was or had been either a contractor or subcontractor with various District agencies. In fact, F & L Construction had an approximately \$3.4 million contract with the Department of Public Works beginning in July 2012. F & L Construction, therefore, is a prohibited source, which Mr. Barry acknowledged when

¹ D.C. Official Code § 1-1162.21(a)(4)(E) of the Ethics Act provides, in pertinent part, that “[i]n addition to any civil penalty imposed under this title, a violation of the Code of Conduct may result in the following: . . . Any negotiated disposition of a matter offered by the Director of Government Ethics, and accepted by the respondent, subject to approval by the Ethics Board.”

² Mr. Barry subsequently clarified in a letter to the Director of Government Ethics dated June 13, 2013, that he received the gift from Keith Forney, owner of Forney Enterprises.

³ Prohibited Source is defined in the Ethics Act as “any person that: (A) Has or is seeking to obtain contractual or other business or financial relations with the District government; (b) Conducts operations or activities that are subject to regulation by the District government; or (c) Has an interest that may be favorably affected by the performance or non-performance of the employee’s official responsibilities.” D.C. Official Code § 1-1161.01(46).

he listed the \$4,000 gift from F & L Construction in response to the question concerning gifts from prohibited sources.⁴

Mr. Barry stated in his June 13, 2013, letter to the Director of Government Ethics that there was no agreement or understanding that in exchange for his gifts from Forney Enterprises, Inc. and/or F & L Construction, that his vote, opinion, judgment, action, decision, or exercise of discretion in connection with his official duties as a Councilmember would be influenced in any way to benefit Forney Enterprises, Inc. or F & L Construction, respectively. Each company, however, had a matter before the D.C. Council in 2012. Mr. Barry, as a sitting Councilmember, normally would have participated in any discussion of those matters and voted on them. Because he accepted the gifts from these contractors, however, he was required to prepare a written statement describing the matter and the nature of the potential conflict of interest and submit that written statement to the Council Chairman.⁵ This would satisfy the requirement to disclose the matter and allow the Chairman to read the written statement into the record and excuse the Councilmember from votes, deliberations, and other actions on the matter, as required.⁶ Mr. Barry neither disclosed to the Council Chairman that he accepted these gifts, provided written statements about the nature of his conflicts of interest, nor recused himself from votes, deliberations, and other actions on the matters before the Council relating to these two companies.

II. NATURE OF MISCONDUCT

For each of the two gifts Mr. Barry received, Mr. Barry's conduct is in violation of:

- The Council Code of Conduct, Section III (Gifts From Outside Sources) (a), which states, in pertinent part, that "employees shall not solicit or accept, either directly or indirectly, any gift from a prohibited source."
- The Conflicts of Interest section of the Ethics Act, D.C. Official Code § 1-1162.23(c)(3), which states that "[d]uring a proceeding in which an elected official would be required to take action in any matter that is prohibited under subsection (a) of this section,⁷ the Chairman shall: (A) Read the statement provided in paragraph (1) of this subsection into the record of the proceedings; and (B) Excuse the elected official from votes, deliberations, and other actions on the matter."

Because Mr. Barry accepted gifts from Forney Enterprises, Inc. and F & L Construction, he accepted two gifts from prohibited sources, in violation of the Council Code of Conduct, Section III(a). Because Mr. Barry failed to disclose to the Council Chairman that he accepted these gifts, provide written statements about the nature of his conflicts of interest, and recuse himself from votes, deliberations, and other actions on the matters before the Council relating to these two companies, he violated D.C. Official Code § 1-1162.23(c)(3).

III. TERMS OF THE NEGOTIATED DISPOSITION

Mr. Barry acknowledges that his conduct was in violation of the District Code of Conduct and that he should be, and hereby is, "**Censured**" for his conduct and fined in the amount of \$13,600. The Ethics Board may assess a civil penalty for a violation of the Code of Conduct of not more than \$5,000 per

⁴ Mr. Barry subsequently clarified in a letter to the Director of Government Ethics dated June 13, 2013, that he received the gift from Freddie Winston, owner of F & L Construction.

⁵ D.C. Official Code § 1-1162.23(c)(1).

⁶ D.C. Official Code § 1-1162.23(c)(3).

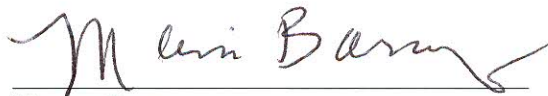

⁷ D.C. Official Code § 1-1162.23(a) states, in pertinent part, that "[n]o employee shall use his or her official position or title . . . in a manner that the employee knows is likely to have a direct and predictable effect on the employee's financial interests"

violation, or 3 times the amount of an unlawful gift. (D.C. Official Code § 1-1162.21(a)(1)). The fine of \$13,600 represents 2 times the total amount of the two unlawful gifts. Mr. Barry agrees to pay \$6,800 of the fine in a lump sum within 14 days of full execution of this Negotiated Disposition Agreement by bank check or money order made out to the D.C. Treasurer and provided to OGE. Mr. Barry agrees to pay the remaining \$6,800 in four equal quarterly installments of \$1,700.00 on the following dates: October 11, 2013; January 10, 2014; April 11, 2014; and July 11, 2014. Payments shall be made by bank check or money order made out to the D.C. Treasurer and provided to OGE. Mr. Barry agrees that in no event shall any of the money for the fine be obtained from a prohibited source.

Moreover, Mr. Barry, as part of this Negotiated Disposition Agreement, agrees to attend ethics training provided by OGE within six months of the full execution of this Negotiated Disposition Agreement. Mr. Barry also promises not to engage in such conduct in the future. In return for Mr. Barry's acknowledgement of this Censure, penalty of a \$13,600 fine, agreement to attend ethics training, and promise not to engage in such conduct in the future, OGE will not seek any further remedy or take any further action relating to the above misconduct.

Mr. Barry understands that if he fails to adhere to this agreement, OGE will recommend that the Ethics Board hold an open and adversarial hearing on this matter.⁸ Because OGE is, at this time, foregoing requesting that the Ethics Board hold an open and adversarial hearing on this matter, Mr. Barry agrees to waive any statute of limitation defenses should the Board decide to proceed in that manner as a result of Mr. Barry's breach of this agreement.

The mutual promises outlined herein constitute the entire agreement in this case. Failure to adhere to any provision of this agreement is a breach rendering the entire agreement void. By our signatures, we agree to the terms outlined herein.

Marion Barry

CONFIDENTIAL

Mr. Darrin P. Sobin
Director of Government Ethics
Board of Ethics and Government Accountability
441 4th Street, NW
Suite 830 South
Washington, D.C. 20001

Dear Mr. Sobin:

In response to your letter to me of June 7, 2013, please note the following responses to the questions posed in that letter:

Forney Enterprises, Inc.

1. The \$2800 was received as a personal gift to me from Mr. Keith Forney personally. To my knowledge, I did not receive anything directly from Forney Enterprises, Inc. It is my understanding that Mr. Forney is the owner of Forney Enterprises, Inc.
2. I do not recall the exact date or dates of the transaction or transactions. The money was given to me in cash by Mr. Forney. Some of the money was used to pay an immediate expense and some of the money was deposited into my bank account at the SunTrust Bank.

3. I did not receive any record of the gift from Mr. Forney, or from Forney Enterprises, Inc.
4. I knew that Forney Enterprises, Inc. was or had been either a contractor, or subcontractor with various District agencies. At the time that the gift was made, I was not certain that Forney Enterprises, Inc. was an active contractor or subcontractor with the District.
5. I did not vote on Contract No. DCAM-12-M-1031FM when it initially came before the Council in June of 2013. It was my intent to vote present with respect to both the emergency declaration and the underlying contract. Because a voice vote was taken with respect to both measures, my vote was recorded for the declaration as affirmative. I attempted to clarify that my vote should have been recorded as present for both the declaration and the underlying bill. I was advised that the vote had already been taken and announced unanimous on the declaration, but that my vote on the underlying bill would be recorded as present. I did not speak substantively to the measure on that contract.
6. I did not speak substantively to the measure on Change Order No. 002 to Contract No. DCAM-12-M-1031FM when it came before the Council on June 4, 2013. Please see my response to question 5 above.
7. There was no agreement or understanding that in exchange for the \$2800 my vote, opinion, judgment, action decision, or exercise of discretion in connection with my official duties as a Councilmember, would be influenced in any way to benefit Forney Enterprises, Inc. There was never any agreement or understanding that in exchange for the \$2800 that I would take any action or refrain from taking an action that would benefit Forney Enterprises, Inc.
- 7(sic). Mr, Forney has been a family friend for 15 or more years. He has been a political and personal supporter of mine over that period.
8. During 2012, I did not receive any other gift from either Mr. Forney or Forney Enterprises, Inc. other than that disclosed in my 2012 Financial Disclosure Statement.
9. No member of my family has received any gift from Forney Enterprises, Inc., or from Mr. Forney.

10. Yes. Mr. Forney made contributions in 2008 and 2012, and Forney Enterprises, Inc. made a contribution in 2012.

F&L Construction, Inc.

1. The \$4000 was received as a personal gift to me from Mr. Freddie Winston personally. To my knowledge, I did not receive anything directly from F&L Construction, Inc. It is my understanding that Mr. Winston is the owner of F&L Construction, Inc.
2. I do not recall the exact date or dates of the transaction or transactions. The money was given to me in cash by Mr. Winston. Some of the money was used to pay an immediate expense and some of the money was deposited into my bank account at the SunTrust Bank.
3. I did not receive any record of the gift from Mr. Winston, or from F&L Construction, Inc.
4. I knew that F&L Construction, Inc. was or had been either a contractor, or subcontractor with various District agencies. At the time that the gift was made, I was not certain that F&L Construction, Inc. was an active contractor or subcontractor with the District.
5. I did not vote on Contract No. CW 15382 when it initially came before the Council. To my recollection, I did not speak to the measure on that contract.
6. I do not believe that F&L Construction, Inc. came before the Council in 2012, and I do not believe that it has come before the Council in 2013 for any matters. I do not recall taking any actions in any Council session/meeting with respect to F&L Construction, Inc. during 2012 or during 2013.
7. There was no agreement or understanding that in exchange for eh \$4000 my vote, opinion, judgment, action decision, or exercise of discretion in connection with my official duties as a Councilmember, would be influenced in any way to benefit F&L Construction, Inc. There was never any agreement or understanding that in exchange for the \$4000 that I would take any action or refrain from taking an action that would benefit F&L Construction, Inc.

D. Sobin

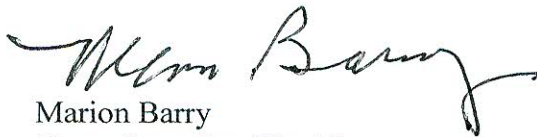

June 13, 2013

- 7(sic). Mr. Winston has been a family friend of mine for 8 or 9 years. He has been a political and personal supporter of mine over that period.
- 8(sic). During 2012, I did not receive any other gift from either Mr. Winston or F&L Construction, Inc. other than that disclosed in my 2012 Financial Disclosure Statement.
- 9(sic). No member of my family has received any gift from F&L Construction, Inc., or from Mr. Winston.
- 10(sic). Yes. F&L Construction, Inc made a contribution in 2008.

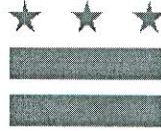

Additionally, I have requested that the Secretary of the Council provide me with copies of any emails that were exchanged with my office and Keith Forney and/or Forney Enterprises, Inc. , and Freddie Winston and/or F&L Construction, Inc. during the period January 1, 2012 to date. When those documents are made available to me, I will forward them to your office. If you have any questions about these responses, please contact my office.

Very truly yours,

Marion Barry
Councilmember Ward 8

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ETHICS AND GOVERNMENT ACCOUNTABILITY

Office of Government Ethics

IN RE: MARION BARRY,

Respondent

CASE No.: 1055-001

SUMMARY

The Office of Government Ethics entered into a Negotiated Disposition Agreement with Councilmember Marion Barry as a full settlement of this Office's investigation into Councilmember Barry's disclosure on his 2012 Public Financial Disclosure Statement that he accepted gifts from two prohibited sources.

Councilmember Barry disclosed in response to Question 8 on his 2012 Public Financial Disclosure Statement, which asks officials to list any gifts from prohibited sources, that he received a \$2,800 gift from Forney Enterprises, Inc., and a \$4,000 gift from F & L Construction. Councilmember Barry acknowledges that he knew that each of these contractors was or had been either a contractor or subcontractor with various District agencies.

In fact, Forney Enterprises, Inc. performed work on a Department of General Services contract for Design-Build Services for Leckie Elementary School and two change orders totaling approximately \$1.8 million which came before the Council for a vote in 2013. Forney Enterprises, Inc., therefore, is a prohibited source, which Mr. Barry acknowledged when he listed the \$2,800 gift from Forney Enterprises, Inc. in response to the question concerning gifts from prohibited sources. Similarly, F & L Construction had an approximately \$3.4 million contract with the Department of Public Works beginning in July 2012. F & L Construction,

therefore, is a prohibited source, which Mr. Barry acknowledged when he listed the \$4,000 gift from F & L Construction.

Councilmember Barry has stated that there was no agreement or understanding that in exchange for these gifts that his vote, opinion, judgment, action, decision, or exercise of discretion in connection with his official duties as a Councilmember would be influenced in any way to benefit either of these companies. We did not find evidence to the contrary. In the case of the Forney Enterprises change order, the May 1, 2013, memorandum from Mayor Vincent Gray to Council Chairman Phil Mendelson requesting that the change order be considered and approved by the Council states that the change order “settles all outstanding requests and closes out this project.” I point this out because it would appear that all the Council was being asked to do was to approve a change order for work that already had been completed and for which the contractor probably was entitled to be paid.

Councilmember Barry, however, acknowledges that because he accepted gifts from these contractors, when matters relating to each of these contractors came before the Council in 2013, he was required to prepare a written statement describing the matter and the nature of the potential conflict of interest and submit that written statement to the Council Chairman to be read into the record. In addition, Councilmember Barry acknowledges that he was supposed to be excused from votes, deliberations, and other actions on the matter, but because he did not disclose to the Council Chairman that he accepted these gifts, he was not excused as required. In addition, he did not recuse himself from votes, deliberations, and other actions on the matters before the Council relating to these two companies.

Accordingly, Councilmember Barry acknowledges that his conduct was in violation of the District Code of Conduct, specifically:

1) The Council Code of Conduct, Section III (Gifts from Outside Sources), which states, in pertinent part, that “employees shall not solicit or accept, either directly or indirectly, any gift from a prohibited source”; and

2) The Conflicts of Interest section of the Ethics Act, D.C. Official Code § 1-1162.23(C)(3), which states, in summary, that when an elected official would be required to take action in a matter in which he or she used his or her official position or title in a manner that the employee knows is likely to have a direct and predictable effect on the employee's financial interests, the Council Chairman shall read the statement provided into the record of the proceedings and excuse the elected official from votes, deliberations and other actions on the matter.

Because Mr. Barry accepted gifts from Forney Enterprises, Inc. and F & L Construction, he accepted two gifts from prohibited sources, in violation of the Council Code of Conduct. Because Mr. Barry failed to disclose to the Council Chairman that he accepted these gifts, provide written statements about the nature of his conflicts of interest, and recuse himself from votes, deliberations, and other actions on the matters before the Council relating to these two companies, he violated the Ethics Act.

Councilmember Barry acknowledges that because of these violations he should be and is Censured for his conduct and fined in the amount of \$13,600, which represents twice the total amount of the unlawful gifts he received. Half of this amount will be paid within 14 days, with the balance due in four quarterly installments ending July 11, 2014. The settlement expressly states that funds to satisfy this fine must not come from prohibited sources. Moreover, Councilmember Barry agreed to attend ethics training provided by the Office of Government Ethics within six months.

I recommend that the Ethics Board approve this Negotiated Disposition Agreement because it is a fair and appropriate resolution to this investigation. It acknowledges both Councilmember Barry's acceptance of gifts from two prohibited sources but also recognizes that he disclosed those gifts, as required, on his Public Financial Disclosure Statement. I believe that this Negotiated Disposition is an appropriate resolution to this investigation and urge adoption by the Ethics Board. Thank you.

F&L Construction Inc.

Committed to building a better, greener community

Home About Us Community Subcontracting Services Awards Projects Our Team Clients Employment Contact Us

About Us

F&L Construction Inc. was founded by Mr. Freddie Winston in 1991 as a minority-owned firm. Under Mr. Winston's leadership, F&L Construction has gained decades of experience in general contracting, construction management, design-build and site development in the District of Columbia and Maryland. F&L Construction's experience, innovative solutions and hard work have set us apart as a leader in the field. We offer services to a diverse group of clients throughout the Washington Metropolitan area.

F&L's goal is to ensure that we meet all of your building construction and site development needs at the highest professional standards. You can rely on us to employ a comprehensive approach to provide reliable and quality construction services at a level commensurate with the critical mission of our clients and the community. We offer a full scope of services from project inception to post occupancy. In an effort to provide high standards for green building techniques in construction, renovations and building operations, we are certified by the Leadership in Energy and Environmental Design/Green Building Rating System (LEED). We have completed numerous projects for GSA, the District of Columbia government and the private sector. We work in integrated, collaborative teams focusing on customer satisfaction.

Memberships: National Association of Minority Contractors and Washington Development Council
Certifications: DC CBE, DC DBE, DDOT, MDOT MBE, MD DBE, NY DBE, MWAA LDBE, Section 3 and HubZone

We are results driven. We get the job done!

Projects

We have developed and managed all phases of construction projects throughout the Washington metropolitan area. F&L Construction has built a reputation of quality workmanship and customer satisfaction on every project we perform. Our crews of highly skilled superintendents and hard-working carpenters, masons, and electricians are true artisans who really care about the outcome of the job; our portfolio of successful on-time, on-budget completions will back that up.

12
13 A PROPOSED RESOLUTION

14
15 IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

16
17 To adopt the findings, conclusions, and recommendations from the Committee Report of the Ad
18 Hoc Committee In Re: Marion Barry, to formally censure Councilmember Marion Barry
19 for the conduct referenced in the Committee Report that violated Council Rule 202,
20 several provisions of the Council's Code of Official Conduct and the District's Ethics
21 Act, and to remove Councilmember Marion Barry as the Chairperson of the Council's
22 Committee on Workforce and Community Affairs.

23 RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this
24 resolution may be cited as the "Censure of Councilmember Marion Barry Resolution of 2013".

25 Sec. 2. (a) In adopting its first Code of Official Conduct in 2009, the Council of the
26 District of Columbia (the "Council") declared its commitment "to ensure the full public
27 confidence that representative government requires and recognize [sic] that public office is a
28 public trust, to commit the Council to the highest standards of ethics, honesty, openness, and
29 integrity, and to consistent adherence to these values" (Resolution 18-248, the Council Code of
30 Official Conduct Rules Amendment Resolution of 2009, effective September 22, 2009, DCR

1 7804). The Council now adopts a Code of Official Conduct (the “Conduct Rules”) at the
2 beginning of each Council Period.

3 (b) Rule 202(a) of the Rules of Organization and Procedure for the Council of the District
4 of Columbia (the “Council Rules”) requires Councilmembers and staff to “maintain a high level
5 of ethical conduct in connection with the performance of their official duties” and to “refrain
6 from taking, ordering, or participating in any official action that would adversely affect the
7 confidence of the public in the integrity of the District government.” Further, “Councilmembers
8 and staff shall strive to act solely in the public interest and not for any personal gain or take an
9 official action on a matter as to which they have a conflict of interest created by a personal,
10 family, client, or business interest, avoiding both actual and perceived conflicts of interest and
11 preferential treatment.”

12 (c) In 2011, the Council adopted the Board of Ethics and Government Accountability
13 Establishment and Comprehensive Ethics Reform Amendment Act of 2011 (“Ethics Act”),
14 effective April 27, 2012, (D.C. Law 19-124; D.C. Official Code § 1-1161.01 *et seq.*) to, among
15 other things, create a Board of Ethics and Government Accountability (“BEGA”) and codify a
16 Code of Conduct for the District government. Among BEGA’s responsibilities is the
17 administration and enforcement of the District’s Code of Conduct. BEGA’s findings and official
18 actions, including the censure of a Councilmember, are instructive for the Council in the
19 enforcement of its own standards of conduct.

20 (d) Rule III(a) of the Council’s Conduct Rules for Council Period 20 prohibits an
21 employee from soliciting or accepting, either directly or indirectly, gifts from prohibited sources.
22 Conduct Rule III(f)(2) defines a “prohibited source” as:

1 [A]ny person or entity that (A) Has or is seeking to obtain contractual or other
2 business or financial relations with the District government; (B) Conducts
3 operations or activities that are subject to regulation by the District government;
4 or (C) Has an interest that may be favorably affected by the performance or non-
5 performance of the employee's official responsibilities.

6 (e) With respect to conflicts of interest, Conduct Rule I(a) prohibits an employee from the
7 following:

8 [Using] his or her official position or title, or personally and substantially
9 [participating], through decision, approval, disapproval, recommendation, the
10 rendering of advice, investigation, or otherwise, in a judicial or other proceeding,
11 application, request for a ruling or other determination, contract, claim,
12 controversy, charge, accusation, arrest, or other particular matter, or [attempting]
13 to influence the outcome of a particular matter, in a manner that the employee
14 knows is likely to have a direct and predictable effect on the employee's financial
15 interests or the financial interests of a person closely affiliated with the employee.

16 (f) Conduct Rule I(c)(1) establishes the procedures that must be followed when a
17 Councilmember has a conflict of interest with respect to his or her official duties. The rule
18 requires a Councilmember to prepare and deliver a recusal statement. To do so, the
19 Councilmember must make full disclosure of the financial interest, prepare a written statement
20 describing the matter and the nature of the potential conflict of interest, and deliver the statement
21 to the Council Chairman.

22 (g) Conduct Rule I(c)(3) specifies that upon receipt of such a disclosure, and during a
23 proceeding in which an elected official would otherwise be required to act upon a matter in

1 which he or she is conflicted, the Chairman must: (A) read a statement explaining a member's
2 conflict into the record of proceedings and (B) excuse the elected official from the proceedings.

3 (h) Conduct Rule I(c)(3)(C) further states that "[n]o Councilmember excused from votes,
4 deliberations, or other actions on a matter shall in any way participate in or attempt to influence
5 the outcome of the particular matter, in a manner that is likely to have a direct and predictable
6 effect on the employee's financial interests or the financial interests of a person closely affiliated
7 with the employee."

8 Sec. 3. (a) On May 15, 2013, Councilmember Marion Barry submitted to BEGA a public
9 financial disclosure statement indicating that in 2012 he accepted gifts from two prohibited
10 sources: \$2,800 from Forney Enterprises, Inc. and \$4,000 from F&L Construction, Inc. Each
11 company, and their principals, is a prohibited source under both District law and the Council's
12 Conduct Rules because they hold contracts with the District of Columbia.

13 (b) Based on Councilmember Barry's disclosure, BEGA initiated a preliminary
14 investigation to determine whether his actions violated the District's Code of Conduct.

15 (c) Councilmember Barry cooperated with BEGA's investigation and entered into a
16 Negotiated Disposition Agreement with the Board on July 11, 2013. In its Negotiated
17 Disposition Agreement, BEGA made the following findings:

18 (1) Councilmember Barry accepted gifts from two prohibited sources, Mr. Keith
19 Forney and Mr. Freddie Winston, in violation of Conduct Rule III(a) (*see also* D.C. Official
20 Code § 1-1161.01(46) and 6 DCMR § B1803.2).

21 (2) Councilmember Barry failed to disclose to the Council Chairman his conflict
22 of interest stemming from his acceptance of gifts from prohibited sources. He further failed to
23 provide written statements about the nature of his conflict of interest and did not recuse himself

1 from votes, deliberations, and other actions of the Council related to the two prohibited sources.
2 These omissions constitute a violation of the Council's Conduct Rules governing conflicts of
3 interest (*see also* D.C. Official Code § 1-1162.23(c)).

4 (d) Councilmember Barry acknowledged that his conduct violated the District's Code of
5 Conduct and agreed to be censured by BEGA and fined \$13,600.

6 Sec. 4. (a) Rule 652 of the Council Rules requires the establishment of an ad hoc
7 committee in the event that BEGA censures a member of the Council. An ad hoc committee (the
8 "Committee") was established by the Council Chairman on July 12, 2013. Pursuant to Rule 652,
9 the Committee was charged with reviewing BEGA's findings, conducting an investigation if
10 warranted, and reporting its findings and penalty recommendations, if any, to the Council within
11 45 days of being convened.

12 (b) The Committee reviewed BEGA's findings and case file and interviewed the Director
13 of Government Ethics and his staff regarding BEGA's investigation. The Committee also
14 interviewed Councilmember Barry and Mr. Keith Forney, principal of Forney Enterprises, Inc.
15 The other prohibited source, Mr. Freddie Winston, owner of F&L Construction, Inc., declined,
16 through counsel, to be interviewed by the Committee.

17 Sec. 5. (a) On September 16, 2013, the Committee unanimously approved the proposed
18 resolution, the "Censure of Councilmember Marion Barry Resolution of 2013." The Committee
19 also unanimously approved the committee report (the "Report").

20 (b) In the Report, the Committee made the following findings:

21 (1) In 2012, Councilmember Barry received gifts of cash totaling \$6,800 from Mr.
22 Keith Forney and Mr. Freddie Winston. The Committee concluded that the value of Mr.

1 Forney's cash gifts totaled \$2,800 and Mr. Winston's cash gifts totaled \$4,000. The Committee
2 concluded that all gifts in question were provided in cash. Report at 4.

3 (2) Both Mr. Forney, Forney Enterprises, Inc., Mr. Winston, and F&L
4 Construction, Inc. were prohibited sources when Councilmember Barry accepted the gifts. A
5 number of contracts awarded to both Forney Enterprises, Inc. and F&L Construction, Inc. came
6 before the Council for approval between 2011 and 2013. The Committee therefore concluded
7 that Councilmember Barry violated Conduct Rule III(a) prohibiting the acceptance or solicitation
8 of gifts from prohibited sources. *Id.* at 6.

9 (3) The Committee found insufficient evidence to conclude that there was a quid
10 pro quo arrangement associated with the gifts of cash from either prohibited source. *Id.* at 5.

11 (4) Because Councilmember Barry received gifts from Mr. Forney and Mr.
12 Winston, he had a conflict of interest with respect to official matters affecting these individuals
13 and the businesses they owned. *Id.* at 7.

14 (5) Due to his conflict of interest, Councilmember Barry was prohibited from
15 voting on or advocating for the approval of contracts benefitting Mr. Forney and his business
16 interests, and Mr. Winston and his business interests, because doing so would have had a direct
17 and predictable effect on the financial interests of individuals closely affiliated with him. Mr.
18 Forney and Mr. Winston can be considered closely affiliated with Councilmember Barry by
19 virtue of their gift-giving relationships. *Id.* at 7.

20 (6) In May 2013, the Mayor transmitted to the Council two change-order and
21 payment approval contracts (the "Forney Change Orders") and corresponding emergency
22 resolutions authorizing payment to Forney Enterprises, Inc. for work already completed on the
23 Simon and Leckie elementary schools in Ward 8. *Id.* at 8.

1 (7) The Forney Change Orders and corresponding emergency resolutions were
2 referred to the Council's Committee on Government Operations, which has oversight over the
3 construction of public school facilities managed by the Department of General Services. The
4 Committee on Government Operations is chaired by Councilmember McDuffie. *Id.* at 9.

5 (8) Councilmember Barry's staff contacted the Government Operations
6 Committee Director to request that Councilmember Barry's name be added to the Government
7 Operations Committee memorandum that would be circulated to the Council requesting that the
8 Forney Change Orders be placed on the June 4, 2013, legislative meeting agenda. As a result,
9 Councilmember Barry's name appeared on the meeting agenda as a movant of the Forney
10 Change Orders and emergency declaration resolutions. *Id.* at 9, Attachment E.

11 (9) At the June 4, 2013, legislative meeting of the Council, Councilmember Barry
12 was recorded as voting "Yes," in favor of the two emergency declaration resolutions authorizing
13 the payment to Forney Enterprises, Inc. Councilmember Barry was recorded as voting "Present"
14 on the underlying Forney Change Order contracts (CA19-0361 (Simon Elementary School) and
15 CA19-0349 (Leckie Elementary School)). *Id.* at 9.

16 (10) Councilmember Barry's vote of "Yes" on the emergency declarations and
17 "Present" on the underlying contracts is a violation of the Conduct Rules I(a) and (c)(3) which
18 prohibit a Councilmember from voting on a matter in which he or she has a conflict of interest.
19 *Id.* Voting "Present," is not considered a recusal.

20 (11) The Committee also concluded that, with respect to the Forney Change
21 Orders and emergency declaration resolutions, Councilmember Barry did not comply with the
22 disclosure and recusal requirements of Council Conduct Rule I(c)(1) and (c)(3)(A)-(B). Although
23 he reported the gifts from Mr. Forney to BEGA in his May 15, 2013, public financial disclosure

1 statement, Councilmember Barry failed to disclose his conflict of interest to the Council
2 Chairman. Councilmember Barry did not provide a written statement outlining the nature of his
3 conflict of interest, and he failed to recuse himself from votes, deliberations, and other actions on
4 matters before the Council relating to Forney Enterprises, Inc. *Id.* at 9-10.

5 (12) The Committee also concluded that in co-moving the Forney Change Orders
6 and participating in the vote, Councilmember Barry's actions had the effect of influencing the
7 process of approving the bills where a party to the underlying contract had provided unlawful
8 cash payments to him in the past in violation of Conduct Rule I(a). *Id.* at 10.

9 Sec. 6. The Council adopts the findings and recommendations in the Report.

10 Sec. 7. To maintain the confidence of the public in the integrity of the legislative branch
11 of government, the Council:

12 (a) Expresses its disapproval of the actions of Councilmember Marion Barry as detailed
13 in the Report and BEGA's Negotiated Disposition Agreement, and hereby censures
14 Councilmember Marion Barry for committing acts in violation of the standards embodied in the
15 Council's Conduct Rules and the District's Ethics Act; and

16 (b) Recommends that Councilmember Barry be removed as Chairperson of the
17 Committee on Workforce and Community Affairs and be deemed ineligible to chair another
18 committee for the remainder of Council Period 20.

19 Sec. 8. The Council shall transmit a copy of this resolution to Councilmember Marion
20 Barry.

21 Sec. 9. This resolution shall take effect immediately.

COUNCIL OF THE DISTRICT OF COLUMBIA
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

URGENT

Memorandum

To: Members of the Council

From: Nyasha Smith, Secretary to the Council
Date: March 14, 2012
Subject: Proposed contract with F&L Construction, Inc.
(CA 19-299)

The attached proposed contract with F&L Construction, Inc. in the amount of \$3,379,643.00 to install a Storm Water Management System at the Department of Public Works' Blue Plains Impoundment Lot was filed in the Office of the Secretary on March 13, 2012.

The Council's ten (10) day review begins Wednesday, March 14, 2012, including Saturdays, Sundays, Council recess and legal holidays. The proposed contract will be deemed approved on Saturday, March 24, 2012, unless a resolution of approval or disapproval is introduced within the ten (10) day review period, extending the review period to forty-five (45) days.

INTRODUCED BY: Chairman K. Brown at the request of the Mayor

Retained by the Council with comments from the Committee on Environment, Public Works and Transportation.

2012 MAR 13 PM 4:37

OFFICE OF THE
MAYOR

VINCENT C. GRAY

MAYOR
MAR 13 2012

The Honorable Kwame R. Brown
Chairman
Council of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Suite 504
Washington, D.C. 20004

Dear Chairman Brown:

Pursuant to DC Official Code § 2-352.02(a), enclosed for consideration by the Council of the District of Columbia is a proposed contract with F&L Construction, Inc. in the amount of three million, three hundred seventy-nine thousand, six hundred forty-three dollars and zero cents (\$3,379,643.00).

The contractor will install a Storm Water Management System at the Department of Public Works' Blue Plains Impoundment Lot.

As always, I am available to discuss any questions you may have regarding the proposed contract. In order to facilitate a response to any questions you may have regarding this proposed contract, please have your staff contact James D. Staton, Jr., Chief Procurement Officer on (202) 727-0252. I look forward to a favorable consideration of this contract.

Sincerely,

A handwritten signature in black ink that reads "Vincent C. Gray". The signature is written in a cursive style with a large, looped "V" and "G".

Vincent C. Gray
Mayor

Enclosure

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Office of Contracting and Procurement

COUNCIL CONTRACT SUMMARY

Pursuant to section 202(c) of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code §2-351.01), the following contract summary is provided:

(A) The proposed contractor, contract amount, unit and method of compensation, contract term, and type of contract:

Proposed Contractor:	F&L Construction, Inc.
Contract Amount:	\$3,379,643.00
Unit and Method of Compensation:	Lump Sum Price with progress payments based on Percentage completion on project
Term of Contract:	180 days from Notice to Proceed date
Type of Contract:	Fixed Price

(B) The goods or services to be provided, the methods of delivering goods or services, and any significant program changes reflected in the proposed contract:

Services to be provided by the Contractor include the installation of a storm-water management system at the Department of Public Works' Blue Plains impoundment lot. Currently there is not an adequate amount of drains in the parking lot, so the south side of the parking lot floods every time it rains. The installation of the storm water management system will correct this problem.

(C) The selection process, including the number of offerors, the evaluation criteria, and the evaluation results, including the price and technical components:

An Invitation for Bids was issued on September 14, 2011 in the SBE set-aside market. Nine (9) bids were received. The evaluation was based on price after CBE preference points were applied. The lowest bidder withdrew its bid due to the fact it was not able to acquire the required performance and payment bonds. The withdrawal was accepted. Award is recommended to F&L Construction, Inc., who is the lowest bidder. F&L Construction, Inc. has been determined to be both responsible and responsive. The bid tabulation is provided below:

BIDDER (CBE Pts)	BID PRICE	EVALUATED BID PRICE
General Services (12 pts)	\$2,599,465.00	\$2,287,529.20 (WITHDRAWN)
F&L Construction, Inc. (9 pts)	\$3,379,643.00	\$3,075,475.13
Ft. Myer Construction (11 pts)	\$3,499,418.90	\$3,114,482.82
Goel Services (11 pts)	\$3,683,000.00	\$3,277,870.00
Forney Enterprises (12 pts)	\$3,735,000.00	\$3,286,800.00
Capitol Paving (9 pts)	\$3,877,190.00	\$3,528,242.90
Corinthian Contractors (0 pts)	\$4,572,251.00	\$4,572,251.00
Rustler Construction (0 pts)	\$4,895,701.00	\$4,895,701.00
Flippo Construction (0 pts)	\$4,986,975.00	\$4,986,975.00

(D) The background and qualifications of the proposed contractor, including its organization, financial stability, personnel, and prior performance on contracts with the District government:

F&L Construction Inc. was founded by Mr. Freddie Winston in 1991 as a minority-owned firm. F&L Construction has gained decades of experience in general contracting, construction management, design-build and site development in the District of Columbia and Maryland. F&L Construction offers services to a diverse group of clients throughout the Washington Metropolitan area.

F&L offers a full scope of services from project inception to post occupancy. In an effort to provide high standards for green building techniques in construction, renovations and building operations, F&L is certified by the Leadership in Energy and Environmental Design/Green Building Rating System (LEED).

F&L has satisfactorily performed on construction projects for the District in the past.

(E) Performance standards and the expected outcome of the proposed contract:

The Contractor is expected to begin performance and complete all the work within 180 calendar days after the notice to proceed.

(F) A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with D.C. Official Code §§ 47-392.01 and 47-392.02:

The agency Budget Officer has certified the availability of \$3,379,643.00 for to cover this purchase.

(G) A certification that the proposed contract is legally sufficient, including whether the proposed contractor has any currently pending legal claims against the District:

The proposed contract action has been determined to be legally sufficient by the Office of the Attorney General.

- (H) A certification that the proposed contractor is current with its District and federal taxes or has worked out and is current with a payment schedule approved by the District or federal government:**

The Contractor is in compliance with the tax filing requirements of the Office of Tax and Revenue and the Department of Employment Services.

- (I) The status of the proposed contractor as a certified local, small, or disadvantaged business enterprise as defined in the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, effective October 20, 2005 (D.C. Law 16-33; D.C. Official Code § 2-218.01 *et seq.*):**

This contractor is a certified small, local, and disadvantaged business enterprise.

- (J) Other aspects of the proposed contract that the Chief Procurement Officer considers significant:**

None

- (K) A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and the reasons for debarment:**

The contractor is not suspended or debarred from providing services or goods to the District or federal governments.

- (L) Where the contract, if executed, will be made available online:**

Notice of the awarded contract will be posted on the OCP website.

Procurement Section

MEMORANDUM

TO: James D. Staton, Jr.
Chief Procurement Officer
Office of Contracting and Procurement

FROM: *for* Nancy K. Hapeman *Takeda S. Calver*
Chief, Procurement Section
Commercial Division

DATE: February 28, 2012

SUBJECT: Proposed Contract for Installation of Storm Water Management System
Contractor: F&L Construction, Inc.
DCKT-2011-C-0156
Department of Public Works
Construction Contract
Firm Fixed Price \$3,379,643.00

1. Description of Proposed Contract

The proposed contract provides for the proposed contractor, F&L Construction, Inc. ("F&L") to provide labor, materials, equipment, supervision, tools and equipment for the installation of storm-water management system at Blue Plains at 5001 Shepherd Parkway, SW, Washington DC 20032. The proposed contract is a construction contract with a firm fixed price. The proposed contract is to be completed within one hundred and eighty (180) calendar days from the Contracting Officer's issuance of the Written Notice to Proceed. The amount of the contract is \$3,379,643.00.

2. Procurement Process

On September 14, 2011, the Office of Contracting and Procurement ("OCP") on behalf of the Department of Public Works ("DPW") issued IFB No. DCKT-2011-B-0156 ("IFB") in the Open Market with a 35% Certified Business Enterprise ("CBE") Subcontracting Requirement. OCP issued four amendments. On October 24, 2011, the District received bids from the following

nine (9) bidders: i) General Services, ii) F&L, iii) Fort Myer, iv) Goel Service, v) Forney Enterprises, Inc., vi) Capitol Paving, vii) Corinthian Contractors, viii) Rustler Construction, and ix) Flippo Construction. Below is a chart of the bids submitted to OCP.

BIDDERS	BID PRICE	EVALUATED BID PRICE
1. General Services	\$2,599,465.00	\$2,287,529.20
2. F&L	\$3,379,643.00	\$3,075,475.13
3. Fort Myer	\$3,499,418.90	\$3,114,482.82
4. Goel Service	\$3,683,000.00	\$3,277,870.00
5. Forney Enterprises	\$3,735,000.00	3,286,800.00
6. Capitol Paving	\$3,877,190.00	\$3,528,242.90
7. Corinthian Contractors	\$4,572,251.00	\$4,572,251.00
8. Rustler Construction	\$4,895,701.00	\$4,895,701.00
9. Flippo Construction	\$4,986,975.00	\$4,986,975.00

General Services was the low bidder; however General Services failed to submit the performance and payment bonds and requested to withdraw its bid. The Contracting Officer then determined F&L to be the responsive, responsible lowest bidder and recommends award to F&L.

3. Legal Review

By a memorandum dated January 23, 2012, you requested that this Office review for legal sufficiency the proposed contract. On February 5, 2012, we provided you with preliminary comments regarding the proposed contractor's responsibility and the proposed subcontracting plan. On February 17, 2012, you forwarded the proposed contractor's breakdown of the subcontracting plan. By memorandum dated February 21, 2012, this Office disapproved the proposed package for a variety of reasons. On February 27, 2012, your office forwarded to this Office a revised package. We have reviewed the proposed revised contract package and approve it for legal sufficiency.

We note that in accordance with D.C. Official Code § 2-351.02 (2011), the Mayor must submit to the Council for approval this contract action for over one million dollars.

If you have any questions, please contact Assistant Attorney General Talia Cohen, at 724-8074.

OFFICE

VINCENT C. GRAY
MAYOR

MAY 1 2013

The Honorable Phil Mendelson
Chairman
Council of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Suite 504
Washington, D.C. 20004

**Reference: District of Columbia Department of General Services
"Change Order No. 002 to Contract No. DCAM-12-M-1031F-FM Approval
and Payment Authorization Emergency Act of 2013"**

Dear Chairman Mendelson:

Enclosed for consideration and approval by the Council of the District of Columbia is proposed emergency legislation entitled "Change Order No. 002 to Contract No. DCAM-12-M-1031F-FM Approval and Payment Authorization Emergency Act of 2013" and the corresponding declaration resolution for the Contract for Design-Build Services for the Phase 1 Modernization of Leckie Elementary School (the "Contract"). The Contract required Forney Enterprises, Inc. ("FEI") to complete the Phase 1 modernization of Leckie Elementary School as well as selective upgrades to key areas such as hallways, bathrooms and entrance lobbies. The proposed Change Order No. 002 increases the Contract's value by \$1,833,339.67, settles all outstanding change requests and closes out this project.

The underlying Contract was competitively bid, awarded to FEI and approved by the Council (GMP of \$4,239,245.00 approved by CA19-0349). Change Order No. 001 was an administrative change that did not increase the GMP. Change Order No. 002 in the amount of \$1,833,339.67 will increase the aggregate contract value by an amount over \$1,000,000, and thus, Council approval is required. Of this increase to the Contract's value, \$440,000 was previously authorized by Partial Release of Change Order #002. If Council approves this action, the total aggregate value of the Contract will be \$6,072,584.67.

In addition to the proposed legislation and Change Order, attached are: (i) a contract summary; (ii) a fiscal certification; (iii) legal sufficiency certifications; and (iv) a tax clearance certificate for FEI.

The Honorable Phil Mendelson
Page 2

If you have any questions regarding this Contract, please feel free to contact either Brian J. Hanlon, the Department's Director, or Scott Burrell, the Department's Chief Operating Officer.

Sincerely,

A handwritten signature in black ink that reads "Vincent C. Gray". The signature is written in a cursive style with a large, sweeping "V" and a long, trailing "y".

Vincent C. Gray
Mayor of the District of Columbia

Chairman Phil Mendelson
at the request of the Mayor

A BILL

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To approve, on an emergency basis, Change Order No. 002 to the Contract for Design-Build Services for the Phase 1 Modernization of Leckie Elementary School between the District of Columbia government and Forney Enterprises, Inc., Contract No. DCAM-12-M-1031F-FM, and to authorize payment to Forney Enterprises, Inc. in the amount of \$1,833,339.67 for the goods and services received under this change order.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA,

That this act may be cited as the "Change Order No. 002 to Contract No. DCAM-12-M-1031F-FM Approval and Payment Authorization Emergency Act of 2013."

Sec. 2. Pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), and notwithstanding the requirements of section 202(a) of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.02(a)), Change Order No. 002 to Contract No. DCAM-12-M-1031F-FM with Forney Enterprises, Inc., for design-build services, additional project scope, outstanding change requests and the close-out of the Phase 1 project at Leckie Elementary School, is

1 approved and payment in the aggregate amount of \$1,833,339.67 is authorized for the
2 goods and services received under this change order.

3 Sec. 3. The Council adopts the fiscal statement provided by the Office of the
4 Chief Financial Officer as the fiscal impact statement required by section 602(c)(3) of the
5 District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C.
6 Official Code § 1-206.02(c)(3)).

7 Sec. 4. This act shall take effect following approval by the Mayor (or in the
8 event of veto by the Mayor, action by the Council to override the veto), and shall remain
9 in effect for no longer than 90 days, as provided for emergency acts of the Council of the
10 District of Columbia in section 412(a) of the District of Columbia Home Rule Act,
11 approved December 24, 1973 (87 Stat. 788; D.C. Official Code § 1-204.12(a)).

Council Contract Summary

Pursuant to D.C. Official Code Section 2-352.02, the Department of General Services (“DGS”) is pleased to provide the following contract summary to the Council of the District of Columbia (“Council”) in connection with DGS’ request for Council review and approval of Change Order No. 002 to the Contract for Design-Build Services for Leckie Elementary School:

(A) Name of the proposed contractor, the contract number, the contract amount and the term of the proposed contract:

Contractor:	Forney Enterprises, Inc. (“FEI”)
Definitive Change Order No. 002 Amount:	\$1,833,339.67
Total Aggregate Contract Value:	\$6,072,584.67
Contract Number:	DCAM-12-M-1031F-FM
Contract Term:	From date of approval to August 12, 2012 for School Substantial Completion.
Contract Type:	Cost plus a Fixed Fee with Guarantee Maximum Price

(B) The goods and services to be provided, the methods of delivering goods and services, and any significant program changes reflected in the proposed contract:

Specific Services Required:

The Contract required FEI to complete the Phase 1 modernization of Leckie Elementary School as well as selective upgrades to key areas such as hallways, bathrooms and entrance lobbies. This Change Order settles all outstanding change requests and closes out the project.

(C) The selection process, including the number of offerors, the evaluation criteria, and the evaluation results, including price and technical components:

This contract was previously submitted to and approved by the Council as CA19-0349. Change Order No. 001 was an administrative change that did not increase the GMP. Change Order No. 002 in the amount of \$1,833,339.67 will increase the aggregate contract value by an amount over \$1,000,000, and thus, Council approval is required. Of this increase to the Contract’s value, \$440,000 was previously authorized by Partial Release of Change Order #002. If Council approves this action, the total aggregate value of the Contract will be \$6,072,584.67.

(D) Background and qualifications of the proposed contractor including its organization, financial stability, personnel, and prior performance on contracts with the District Government:

FEI was formed 10 years ago and employs a staff of approximately 25 employees. FEI has completed projects for the former Office of Public Education Facilities Modernization, including Phase 1 modernizations of Burrville and Whittier Elementary Schools. They possess the financial stability to successfully perform the job and have provided a staffing plan for the Project which has been reviewed and approved by the Department.

(E) Performance Measures Standards and expected outcomes of the proposed contract:

FEI was required to provide all design services, management, personnel, labor, materials and equipment necessary to complete the school portion of Project no later than August 12, 2012.

(F) A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with sections 47-392.01 and 47-392.02:

The Office of the Chief Financial Officer has certified that the proposed Change Order amount of \$1,833,339.67 is within the appropriated capital budget authority for the agency in fiscal years 2012 and/or 2013 and is consistent with the financial plans and capital budget adopted in accordance with §§47-392.00 and 47-392.02.

(G) A certification of that the proposed contract is legally sufficient and has been reviewed by the Office of the General Counsel, Office of the Attorney General, including whether the proposed contractor has any currently pending legal claims against the District:

The proposed Change Order has been deemed legally sufficient. The proposed contractor has currently pending legal claims against the District before the Contract Appeals Board (CAB).

(H) A certification that the proposed contract is current with its District and federal taxes or has worked out and is current with a payment schedule approved by the District or federal government:

The Office of Tax and Revenue and the Department of Employment Services' Unemployment Insurance Tax Division have certified that FEI is in compliance with the Government of the District of Columbia tax laws and regulations (see attached certifications).

(I) Status of Proposed Contractor:

FEI is certified as a Local, Small, or Disadvantaged Business Enterprise by the District's Department of Small and Local Business Development ("DSLBD"), and has certified that it will award 50% of the subcontract work to Certified Business Enterprises of which 35% will be awarded to small or disadvantaged business enterprises.

(J) Other aspects of the proposed contract that the Chief Procurement Officer considers significant:

All significant aspects of the proposed change order have been provided.

(K) A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and reasons for debarment:

FEI is not debarred from providing services to the Government of the District of Columbia or the Federal Government according to the Office of Contracts & Procurement's Excluded Parties List and the Federal Government's Excluded Parties List.

(L) Where the contract, if executed, will be made available online:

The Change Order, if approved, will be posted on the Department of General Services web site.

Memorandum

To: Brian J. Hanlon
Director

From: Massimo Marchiori
Agency Fiscal Officer *MM*

Reference: Change Order No. 002 to the Contract for Design-Build Services – Leckie Elementary School (DCAM-12-M-1031F-FM)

Date: April 24, 2013

Subject: Fiscal Sufficiency Review

In my capacity as the Agency Fiscal Officer of the Department of General Services (DGS), I hereby certify Change Order #002 to the Contract for Design-Build Services for Leckie Elementary School (DCAM-12-M-1031F-FM) with Forney Enterprises, Inc. in the amount of \$1,833,339.67.

Previously issued Change Order No. 001 was an administrative change order that did not increase the Contract's GMP. The total change order amount was \$0.

\$440,000 was previously authorized by Partial Release of Change Order #002 and funded with general obligation bonds, fund detail 0300 (PO453432). The remaining portion of Change order #002, \$1,393,339.60, is being funded with general obligation bonds, fund detail 0300, as well (RQ805081).

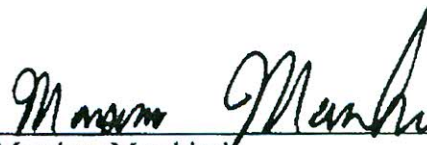

DGS has \$1,833,339.67 in its FY2013 "cumulative" capital budget balance. The funding attributes and SOAR Screen shots are attached.

URGENT

Memorandum

To: Members of the Council
From: 
Nyasha Smith, Secretary to the Council
Date: June 14, 2012
Subject: Proposed contract with Forney Enterprises, Inc.
(CA 19-349)

The attached proposed contract with Forney Enterprises, Inc. in the amount of \$3,898,762.00 for Design-Build Services for the Phase 1 Modernization of Leckie Elementary School was filed in the office of the Secretary on June 14, 2012.

The Council's ten day review begins Friday, June 15, 2012, including Saturdays, Sundays, Council recess and legal holidays. The proposed contract will be deemed approved on Monday, June 25, 2012, unless a resolution of approval or disapproval is introduced within the ten day review period, extending the review to 45 days.

INTRODUCED BY: Chairman Mendelson at the request of the Mayor

Retained by the Council with comments from the Committee on Government Operations and the Committee of the Whole.

OFFICE OF THE
SECRETARY

VINCENT C. GRAY
MAYOR

JUN 14 2012

The Honorable Phil Mendelson
Acting Chairman
Council of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

**Reference: District of Columbia Department of General Services
Contract for Design-Build Services – Leckie Elementary School
(DCAM-12-M-1031F-FM)**

Dear Chairman Mendelson:

Pursuant to D.C. Official Code § 1-204.51(b), the Department of General Services (“DGS” or the “Department”) hereby submits the attached Contract for Design-Build Services for the Phase 1 Modernization of Leckie Elementary School (the “Contract”) to the Council of the District of Columbia for its review and approval.

As you are aware, the Master Facilities Plan (the “MFP”) for the District of Columbia Public Schools contemplates that elementary schools will be modernized in a phased approach over a period of years. The first phase of the modernizations will focus on the Academic Components of the schools—the classrooms, where students spend the majority of their time. Per the MFP, Leckie Elementary School is to undergo a Phase 1 modernization during FY 2012. The proposed Contract requires Forney Enterprises, Inc. (“FEI”) to complete the Phase 1 modernization of Leckie Elementary School as well as selective upgrades to key areas such as hallways, bathrooms and entrance lobbies. The Contract further requires selective upgrades and/or reconfigurations to the Project School’s HVAC systems in order to meet the applicable performance requirements for the Academic Components, no later than August 12, 2012.

The Department previously engaged Marshall Moya Design (the “Architect”) to serve as the architect for this project and to prepare design development documents for the modernization of Leckie Elementary School. The Contract establishes a Guaranteed Maximum Price of \$4,239,245 with an interim not-to-exceed amount of \$3,898,762.00 for the Phase 1 modernization and further assigns the Department’s agreement with the Architect to FEI in order to create a design-build team to complete the drawings and construct the project. The

The Honorable Phil Mendelson

Page 2

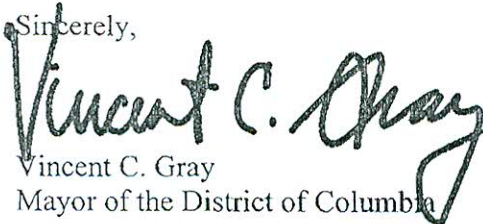

Department anticipates that construction activities will begin as school lets out for the summer holidays.

It should also be noted that this project has been placed in the Workforce Incentive Program. In total, we expect that at least thirty five percent (35%) of the total hours worked on this project will be performed by District residents. The trade subcontractors performing work on the Project will receive incentive payments based on the actual number of hours worked by District residents.

In addition to the Contract, attached are: (i) a contract summary; (ii) a fiscal certification; (iii) a memorandum of legal sufficiency; and (iv) tax clearance certificates for FEI.

If you have any questions regarding this Contract, please feel free to contact either Brian J. Hanlon, the Department's Acting Director, or Scott Burrell, the Department's Chief Operating Officer.

Sincerely,

A handwritten signature in black ink that reads "Vincent C. Gray". The signature is written in a cursive style with a large, stylized "V" and "G".

Vincent C. Gray
Mayor of the District of Columbia

Council Contract Summary

Pursuant to D.C. Official Code Sections 1-204.51(b) and 2-352.02, the Department of General Services (“DGS”) is pleased to provide the following contract summary to the Council of the District of Columbia (“Council”) in connection with DGS’ request for Council review and approval of the Contract for Design-Build Services for Leckie Elementary School:

(A) Name of the proposed contractor, the contract number, the contract amount and the term of the proposed contract:

Contractor:	Forney Enterprises, Inc. (“FEI”)
Definitive Contract Amount:	The Contract has a guaranteed maximum price of \$4,239,245 with an interim not-to-exceed amount of \$3,898,762.00; and includes a Preconstruction Fee of \$20,000 and a Design-Build Fee of \$280,000
Contract Number:	DCAM-12-M-1031F-FM
Contract Term:	From date of approval to August 12, 2012 for School Completion.
Contract Type:	Cost plus a Fixed Fee with Guarantee Maximum Price

(B) The goods and services to be provided, the methods of delivering goods and services, and any significant program changes reflected in the proposed contract:

The Master Facilities Plan for the District of Columbia Public Schools contemplates that elementary schools will be modernized in a three-phased project over multiple years. The first phase of the modernizations focuses on the Academic Components of the schools—the classrooms, where students spend the majority of their time. The second phase of the modernization effort will address Support Components, which may include bathrooms, art and music rooms, gymnasiums, and health suites. The final phase of the modernization will target the schools’ Systems Components, including HVAC systems, plumbing systems and fixtures, electrical systems, the buildings’ exterior envelopes, including roof and windows, as well as technology systems. Such work may include: (i) ensuring quality and natural daylight by replacing the windows and lighting systems and painting the walls to brighten the rooms; (ii) repairing or replacing the air conditioning and heating systems in the classrooms to ensure the room is comfortable in any season; (iii) wiring the classroom’s computers so that students and teachers can access online learning resources; (iv) acoustical reverberation and augmentation through acoustical materials and sound amplification and improved interior finishes; and (v) including teaching materials through interior design and upgrades to furniture, fixtures, and equipment.

Pursuant to the Department’s Capital Improvement Plan, the following eleven (11) schools are scheduled to undergo Phase 1 modernizations in fiscal year 2012: Amidon-

Bowen ES; Brookland @ Bunker Hill EC; Bruce Monroe @ Parkview ES; Ketcham ES; LaSalle-Backus EC; Leckie ES; Nalle ES; Powell ES; Ross ES; Simon ES; and Stuart Hobson MS. The Department previously engaged architects to prepare design development documents for the Phase 1 Work at these schools as well as selective upgrades key public areas such as hallways, bathrooms and entrance lobbies. Based on the design development documents, the Department has negotiated a definitive scope and price for the work to be implemented this summer.

Specific Services Required:

The proposed Contract requires FEI to complete the Phase 1 modernization at Leckie Elementary School as well as to undertake certain other improvements that extend beyond the Academic Components, such as hallways, bathrooms and entrance lobbies, and selective upgrades and/or reconfigurations to the school's HVAC systems no later than August 12, 2012.

(C) The selection process, including the number of offerors, the evaluation criteria, and the evaluation results, including price and technical components:

On October 31, 2011, the Department issued a Request for Proposals ("RFP") to engage one or more design-builders to perform Phase 1 Classroom Modernizations at sixteen schools (the "Project").¹ The RFP was posted on the Department's website, advertised in the Washington Post, and sent by email or Federal Express to firms that our market research indicated were qualified to perform the work. A preproposal conference was held on November 9, 2011. On the proposal due date (i.e. November 22, 2011), fourteen (14) proposals were received in a timely manner: Turner Construction Company; Winmar-Dustin JV; Coakley & Williams; Centennial Contractors; FEI Construction; Broughton Construction Company; Forrester Construction; MCN Build; Kadcon Corporation; Benaka, Inc., Capital Construction Group; GCS, Inc.; Monarc Construction; and The Whiting-Turner Contracting Company. Each Offeror bid on at least one of the schools. Most of the Offerors proposed on all of the schools.

The proposals were evaluated by an evaluation panel consisting of Philip Artin, Will Mangrum and Eupert Braithwaite in accordance with the criteria set forth in the RFP. A 100 point scale was used with (i) experience and references worth 20 points; (ii) key personnel worth 20 points; (iii) project management plan worth 10 points; (iv) preliminary schedule worth 10 points (v) LSDBE compliance/utilization worth 5 points; (vi) Workforce utilization worth 5 points; and (vii) the cost worth 30 points. The evaluation panel met on December 15, 2011 to develop a consensus score.

Of the 30 points available for cost, 7 were allocated to the design fee, 3 were allocated to the preconstruction fee, and 20 were allocated to the design-build fee. The points were

¹ The RFP solicited bid for sixteen schools, however, prior to award, it was determined that five of the schools would be deferred.

assigned on a sliding scale, with the lowest proposed price receiving all of the available points, the highest receiving none, and remaining proposals receiving a portion of the available points relative to their position in the range established by the highest and lowest bids for each pricing component. Offeror 4 was deemed non-responsive for submitting price components well in excess of 150% of the median total price.²

The panel began its technical evaluation by ranking the Offerors according to the panel's overall assessment of the Offerors' proposals, taking into consideration each of the technical factors (experience; key personnel; management plan; schedule; LSDBE plan; and workforce utilization plan). The following Offerors were at the top of the panel's list: Offeror 14 ranked first, with the panel noting the firm's extensive school experience and that Offeror 14 has successfully met the Department's on-time and on-budget goals in prior projects. The panel ranked Offeror 7 second noting the firm's impressive personal coverage on past DGS projects. The panel ranked Offeror 1 third given their vast DCPS school experience in general, and in particular, their past Phase 1 modernization work. Overall, these top technical scorers were within one point of each other with respect to technical score.

Offeror 3 was ranked fourth. The panel noted the firm's solid school experience and well thought out management plan. In fifth place, the panel placed Offeror 8, noting the firm's prior success on Phase 1 projects. Similarly, the panel next ranked FEI based on its prior completion of Phase 1 modernization work. In seventh place, the panel ranked Offeror 11 noting its recent success on Jefferson MS and UDC Building 52. The eighth highest scoring technical firm, Offeror 12, has performed many projects for the Department, of various scopes and sizes, and has consistently delivered. And in ninth place, the panel noted that Offeror 6 has completed prior Phase 1 modernization work, though was somewhat challenged by the Department's on-time and on-budget goals. This group of Offerors scored within a nine point technical range.

Finally, in the lowest scoring tier of technical Offerors, the panel ranked Offeror 9 in tenth place. Offeror 9 has performed a number of specialty projects, including mainly parks and fields, for the Department, but has no prior Phase 1 modernization experience. Next, in eleventh rank, the panel noted that Offeror 2, while having much school experience, has been recently challenged in managing the design efforts as a design-builder, and in meeting the Department's on-time and on-budget goals at Janney ES. In twelfth place, the panel noted that while Offeror 13 has local renovation experience, little of it was in schools. Offeror 13's proposal was also weak in addressing the design management process, and Offeror 13's schedule showed construction beginning prior to the end of the school year. The panel last ranked Offeror 10, noting that Offeror 10's submission was lacking in several areas. The panel noted that Offeror 10 planned for

² Offeror 10 confirmed that the design fees it submitted reflected only the costs of Offeror 10's management of the design services and review of design documents; it did not include any architect/engineering fees which should also have been included. Rather than deeming Offeror 10 non-responsive, the average design fee for each school was added to Offeror 10's fee for design management for purposes for the price scoring calculations.

work to begin in April (even though school is in session), failed to address value engineering or managing the design process, and demonstrated no experience with the District's CBE goals. Most of the Offeror's experience appeared to be in ID/IQ type contracts. Overall, the panel was not confident that these Offerors would be able to complete the projects which have particularly aggressive schedules and determined that it would be difficult to award to an Offeror from this lowest scoring tier.

The panel's technical review of each of the proposals was combined with the price scores. In addition to the price and technical scoring, a possible twelve (12) additional points were available for each Offeror based on its status as a Certified Business Enterprise as determined by the Department of Small and Local Business Development. Seven of the Offerors was so certified and received additional points accordingly. The attached tables summarize the results of the panel's consensus evaluations, including technical evaluations, the price submitted by the Offerors, and the CBE points for each certified Offeror.

Prior to making any awards, the panel considered whether an Offeror should be awarded more than one school. The panel determined that given the compressed timeline for the Phase 1 work, and in order to minimize the risk of any particular project not succeeding, the panel elected to award no more than two (2) schools to any one contractor and determined that if a contractor was to be awarded two schools that they should be two of the smaller projects in terms of their dollar volume. Based on this determinate and the panel's technical assessment of each of the Offerors, the panel recommended awards.

In awarding Leckie, the panel elected to award to the fourth highest scoring Offeror, FEI. Again, each of the three higher scoring Offerors – Offeror 12, Offeror 14, and Offeror 1 – already received awards for schools with budgets, which if combined with Leckie, the other school awarded to FEI, would be in excess of \$11 million. FEI's prior award (Simon), however, when combined with Leckie, totaled just in excess of \$9 million. Again, the panel deemed this to be a more equitable award and allocation of risk. The panel also noted that these two schools are within a mile of each other, making award to the same contractor practical from a management perspective.

(D) Background and qualifications of the proposed contractor including its organization, financial stability, personnel, and prior performance on contracts with the District Government:

FEI was formed 10 years ago and employs a staff of approximately 25 employees. FEI has completed projects for the former Office of Public Education Facilities Modernization, including Phase 1 modernizations of Burrville and Whittier Elementary Schools. They possess the financial stability to successfully perform the job and have provided a staffing plan for the Project which has been reviewed and approved by the Department.

(E) Performance Measures Standards and expected outcomes of the proposed contract:

FEI is required to provide all design services, management, personnel, labor, materials and equipment necessary to complete the school portion of Project no later than August 12, 2012. If the Project is complete on-time and on-budget, FEI will receive a Design-Build Fee of \$297,000. If one or both of these goals is not met, FEI's Design-Build Fee will be \$263,000. In addition, if FEI achieves the Workforce Utilization Requirement, it will receive an additional \$8,500 in Design-Build Fee.

- (F) **A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with sections 47-392.01 and 47-392.02:**

The Office of the Chief Financial Officer has certified that the interim not to exceed amount of \$3,898,762 is within the appropriated capital budget authority for the agency in fiscal year 2012 and is consistent with the financial plans and capital budget adopted in accordance with §§47-392.00 and 47-392.02.

- (G) **A certification of that the proposed contract is legally sufficient and has been reviewed by the Office of the General Counsel, Office of the Attorney General, including whether the proposed contractor has any legal claims against the District:**

The proposed contract has been deemed legally sufficient; however, the proposed contractor has two appeals and one protest pending against the District before the District of Columbia Contract Appeals Board.

- (H) **A certification that the proposed contract is current with its District and federal taxes or has worked out and is current with a payment schedule approved by the District or federal government:**

The Office of Tax and Revenue and the Department of Employment Services' Unemployment Insurance Tax Division have certified that FEI is in compliance with the Government of the District of Columbia tax laws and regulations (see attached certifications).

- (I) **Status of Proposed Contractor:**

FEI is certified as a Local, Small, or Disadvantaged Business Enterprise by the District's Department of Small and Local Business Development ("DSLBD") and has certified that it will award 50% of the subcontract work to Certified Business Enterprises of which 35% will be awarded to small or disadvantaged business enterprises.

- (J) **Other aspects of the proposed contract that the Chief Procurement Officer considers significant:**

All significant aspects of the proposed contract have been provided.

- (K) **A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and reasons for debarment:**

FEI is not debarred from providing services to the Government of the District of Columbia or the federal government according to the Office of Contracts & Procurement's Excluded Parties List and the federal government's Excluded Parties List.

- (L) **Where the contract, if executed, will be made available online:**

The contract, if approved, will be posted on the Department of General Services web site.

Memorandum

To: Brian J. Hanlon
Acting Director

From: Charles Brown, Esq. 
Deputy General Counsel

Reference: Contract for Design-Build Services – Leckie Elementary School
(DCAM-12-M-1031F-FM)

Date: June 12, 2012

Subject: Legal Sufficiency Review

I have reviewed the final form of the Contract for Design-Build Services for Leckie Elementary School (DCAM-12-M-1031F-FM) between the Department of General Services and Forney Enterprises, Inc. (the "Contract"), and I hereby certify that the Contract appears legally sufficient. Please be advised that my finding that the Contract appears legally sufficient is premised on the Contract being submitted to and approved by the Council of the District of Columbia as required by Section 1-204.51(b) of the District of Columbia Official Code.

COUNCIL OF THE DISTRICT OF COLUMBIA
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

URGENT

Memorandum

To: ~~Members of the Council~~
From: Nyasha Smith, Secretary to the Council
Date: June 21, 2012
Subject: Proposed contract with Forney Enterprises, Inc.
(CA 19-361)

The attached proposed contract with Forney Enterprises, Inc. in the amount of \$5,252,939 for the period of July 31, 2012 through July 30, 2013 for Design-Build Services for the Phase 1 Modernization of Simon Elementary School was filed in the Office of the Secretary on June 20, 2012.

The Council's ten day review begins Thursday, June 21, 2012, including Saturdays, Sundays, Council recess and legal holidays. The proposed contract will be deemed approved on Sunday, July 1, 2012, unless a resolution of approval or disapproval is introduced within the ten day review period, extending the review to 45 days.

The Honorable Phil Mendelson
Chairman
Council of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Suite 504
Washington, D.C. 20004

**Reference: District of Columbia Department of General Services
Contract for Design-Build Services – Simon Elementary School
Contract No. DCAM-12-M-1031J-FM**

Dear Chairman Mendelson:

Pursuant to D.C. Official Code § 1-204.51(b), the Department of General Services (“DGS” or the “Department”) hereby submits the attached Contract for Design-Build Services for the Phase 1 Modernization of Simon Elementary School (the “Contract”) to the Council of the District of Columbia for its review and approval.

As you are aware, the Master Facilities Plan (the “MFP”) for the District of Columbia Public Schools contemplates that elementary schools will be modernized in a phased approach over a period of years. The first phase of the modernizations will focus on the Academic Components of the schools—the classrooms, where students spend the majority of their time. Per the MFP, Simon Elementary School is to undergo a Phase 1 modernization during FY 2012. The proposed Contract requires Forney Enterprises, Inc. (“FEI”) to complete the Phase 1 modernization of Simon Elementary School as well as selective upgrades to key areas such as hallways, bathrooms and entrance lobbies. The Contract further requires selective upgrades and/or reconfigurations to the Project School’s HVAC systems in order to meet the applicable performance requirements for the Academic Components, no later than August 12, 2012.

The Department previously engaged di Domenico + Partners (the “Architect”) to serve as the architect for this project and to prepare design development documents for the modernization of Simon Elementary School. The Contract establishes a Guaranteed Maximum Price of \$5,252,939 for the Phase 1 modernization and further assigns the Department’s agreement with the Architect to FEI in order to create a design-build team to complete the drawings and

The Honorable Mary Cheh
Page 2

construct the project. The Department anticipates that construction activities will begin as school lets out for the summer holidays.

It should also be noted that this project has been placed in the Workforce Incentive Program. In total, we expect that at least thirty five percent (35%) of the total hours worked on this project will be performed by District residents. The trade subcontractors performing work on the Project will receive incentive payments based on the actual number of hours worked by District residents.

In addition to the Contract, attached are: (i) a contract summary; (ii) a fiscal certification; (iii) a memorandum of legal sufficiency; and (iv) tax clearance certificates for FEI.

If you have any questions regarding this Contract, please feel free to contact either Brian J. Hanlon, the Department's Acting Director, or Scott Burrell, the Department's Chief Operating Officer.

Sincerely,

A handwritten signature in black ink that reads "Vincent C. Gray". The signature is written in a cursive style with a large, looped "V" and "G".

Council Contract Summary

Pursuant to D.C. Official Code Sections 1-204.51(b) and 2-352.02, the Department of General Services (“DGS”) is pleased to provide the following contract summary to the Council of the District of Columbia (“Council”) in connection with DGS’ request for Council review and approval of the Contract for Design-Build Services for Simon Elementary School:

(A) Name of the proposed contractor, the contract number, the contract amount and the term of the proposed contract:

Contractor:	Forney Enterprises, Inc. (“FEI”)
Definitive Contract Amount:	The Contract has a guaranteed maximum price of \$5,252,939 and includes a Preconstruction Fee of \$20,000; and a Design-Build Fee of \$280,000
Contract Number:	DCAM-12-M-1031J-FM
Contract Term:	From date of approval to August 12, 2012 for School Completion.
Contract Type:	Cost plus a Fixed Fee with Guarantee Maximum Price

(B) The goods and services to be provided, the methods of delivering goods and services, and any significant program changes reflected in the proposed contract:

The Master Facilities Plan for the District of Columbia Public Schools contemplates that elementary schools will be modernized in a three-phased project over multiple years. The first phase of the modernizations focuses on the Academic Components of the schools—the classrooms, where students spend the majority of their time. The second phase of the modernization effort will address Support Components, which may include bathrooms, art and music rooms, gymnasiums, and health suites. The final phase of the modernization will target the schools’ Systems Components, including HVAC systems, plumbing systems and fixtures, electrical systems, the buildings’ exterior envelopes, including roof and windows, as well as technology systems. Such work may include: (i) ensuring quality and natural daylight by replacing the windows and lighting systems and painting the walls to brighten the rooms; (ii) repairing or replacing the air conditioning and heating systems in the classrooms to ensure the room is comfortable in any season; (iii) wiring the classroom’s computers so that students and teachers can access online learning resources; (iv) acoustical reverberation and augmentation through acoustical materials and sound amplification and improved interior finishes; and (v) including teaching materials through interior design and upgrades to furniture, fixtures, and equipment.

Pursuant to the Department’s Capital Improvement Plan, the following eleven (11) schools are scheduled to undergo Phase 1 modernizations in fiscal year 2012: Amidon-Bowen ES; Brookland @ Bunker Hill EC; Bruce Monroe @ Parkview ES; Ketcham ES;

LaSalle-Backus EC; Leckie ES; Nalle ES; Powell ES; Ross ES; Simon ES; and Stuart Hobson MS. The Department previously engaged architects to prepare design development documents for the Phase 1 Work at these schools as well as selective upgrades key public areas such as hallways, bathrooms and entrance lobbies. Based on the design development documents, the Department has negotiated a definitive scope and price for the work to be implemented this summer.

Specific Services Required:

The proposed Contract requires FEI to complete the Phase 1 modernization at Simon Elementary School as well as to undertake certain other improvements that extend beyond the Academic Components, such as hallways, bathrooms and entrance lobbies, and selective upgrades and/or reconfigurations to the school's HVAC systems no later than August 12, 2012.

(C) The selection process, including the number of offerors, the evaluation criteria, and the evaluation results, including price and technical components:

On October 31, 2011, the Department issued a Request for Proposals ("RFP") to engage one or more design-builders to perform Phase 1 Classroom Modernizations at sixteen schools (the "Project").¹ The RFP was posted on the Department's website, advertised in the Washington Post, and sent by email or Federal Express to firms that our market research indicated were qualified to perform the work. A preproposal conference was held on November 9, 2011. On the proposal due date (i.e. November 22, 2011), fourteen (14) proposals were received in a timely manner: Turner Construction Company; Winmar-Dustin JV; Coakley & Williams; Centennial Contractors; FEI Construction; Broughton Construction Company; Forrester Construction; MCN Build; Kadcon Corporation; Benaka, Inc., Capital Construction Group; GCS, Inc.; Monarc Construction; and The Whiting-Turner Contracting Company. Each Offeror bid on at least one of the schools. Most of the Offerors proposed on all of the schools.

The proposals were evaluated by an evaluation panel consisting of Philip Artin, Will Mangrum and Eupert Braithwaite in accordance with the criteria set forth in the RFP. A 100 point scale was used with (i) experience and references worth 20 points; (ii) key personnel worth 20 points; (iii) project management plan worth 10 points; (iv) preliminary schedule worth 10 points (v) LSDBE compliance/utilization worth 5 points; (vi) Workforce utilization worth 5 points; and (vii) the cost worth 30 points. The evaluation panel met on December 15, 2011 to develop a consensus score.

Of the 30 points available for cost, 7 were allocated to the design fee, 3 were allocated to the preconstruction fee, and 20 were allocated to the design-build fee. The points were assigned on a sliding scale, with the lowest proposed price receiving all of the available

¹ The RFP solicited bid for sixteen schools, however, prior to award, it was determined that five of the schools would be deferred.

points, the highest receiving none, and remaining proposals receiving a portion of the available points relative to their position in the range established by the highest and lowest bids for each pricing component. Offeror 4 was deemed non-responsive for submitting price components well in excess of 150% of the median total price.²

The panel began its technical evaluation by ranking the Offerors according to the panel's overall assessment of the Offerors' proposals, taking into consideration each of the technical factors (experience; key personnel; management plan; schedule; LSDBE plan; and workforce utilization plan). The following Offerors were at the top of the panel's list: Offeror 14 ranked first, with the panel noting the firm's extensive school experience and that Offeror 14 has successfully met the Department's on-time and on-budget goals in prior projects. The panel ranked Offeror 7 second noting the firm's impressive personal coverage on past DGS projects. The panel ranked Offeror 1 third given their vast DCPS school experience in general, and in particular, their past Phase 1 modernization work. Overall, these top technical scorers were within one point of each other with respect to technical score.

Offeror 3 was ranked fourth. The panel noted the firm's solid school experience and well thought out management plan. In fifth place, the panel placed Offeror 8, noting the firm's prior success on Phase 1 projects. Similarly, the panel next ranked FEI based on its prior completion of Phase 1 modernization work. In seventh place, the panel ranked Offeror 11 noting its recent success on Jefferson MS and UDC Building 52. The eighth highest scoring technical firm, Offeror 12, has performed many projects for the Department, of various scopes and sizes, and has consistently delivered. And in ninth place, the panel noted that Offeror 6 has completed prior Phase 1 modernization work, though was somewhat challenged by the Department's on-time and on-budget goals. This group of Offerors scored within a nine point technical range.

Finally, in the lowest scoring tier of technical Offerors, the panel ranked Offeror 9 in tenth place. Offeror 9 has performed a number of specialty projects, including mainly parks and fields, for the Department, but has no prior Phase 1 modernization experience. Next, in eleventh rank, the panel noted that Offeror 2, while having much school experience, has been recently challenged in managing the design efforts as a design-builder, and in meeting the Department's on-time and on-budget goals at Janney ES. In twelfth place, the panel noted that while Offeror 13 has local renovation experience, little of it was in schools. Offeror 13's proposal was also weak in addressing the design management process, and Offeror 13's schedule showed construction beginning prior to the end of the school year. The panel last ranked Offeror 10, noting that Offeror 10's submission was lacking in several areas. The panel noted that Offeror 10 planned for work to begin in April (even though school is in session), failed to address value

² Offeror 10 confirmed that the design fees it submitted reflected only the costs of Offeror 10's management of the design services and review of design documents; it did not include any architect/engineering fees which should also have been included. Rather than deeming Offeror 10 non-responsive, the average design fee for each school was added to Offeror 10's fee for design management for purposes for the price scoring calculations.

engineering or managing the design process, and demonstrated no experience with the District's CBE goals. Most of the Offeror's experience appeared to be in ID/IQ type contracts. Overall, the panel was not confident that these Offerors would be able to complete the projects which have particularly aggressive schedules and determined that it would be difficult to award to an Offeror from this lowest scoring tier.

The panel's technical review of each of the proposals was combined with the price scores. In addition to the price and technical scoring, a possible twelve (12) additional points were available for each Offeror based on its status as a Certified Business Enterprise as determined by the Department of Small and Local Business Development. Seven of the Offerors was so certified and received additional points accordingly. The attached tables summarize the results of the panel's consensus evaluations, including technical evaluation, the price submitted by the Offerors, and the CBE points for each certified Offeror.

Prior to making any awards, the panel considered whether an Offeror should be awarded more than one school. The panel determined that given the compressed timeline for the Phase 1 work, and in order to minimize the risk of any particular project not succeeding, the panel elected to award no more than two (2) schools to any one contractor and determined that if a contractor was to be awarded two schools that they should be two of the smaller projects in terms of their dollar volume. Based on this determinate and the panel's technical assessment of each of the Offerors, the panel recommended awards.

In awarding Simon, the panel elected to award to highest scoring Offeror who had not yet been awarded a school; as the first highest scoring Offeror, Offeror 12, had already been awarded a school, the panel awarded to the second highest scoring Offeror, FEI.

(D) Background and qualifications of the proposed contractor including its organization, financial stability, personnel, and prior performance on contracts with the District Government:

FEI was formed 10 years ago and employs a staff of approximately 25 employees. FEI has completed projects for the former Office of Public Education Facilities Modernization, including Phase 1 modernizations of Burrville and Whittier Elementary Schools. They possess the financial stability to successfully perform the job and have provided a staffing plan for the Project which has been reviewed and approved by the Department.

(E) Performance Measures Standards and expected outcomes of the proposed contract:

FEI is required to provide all design services, management, personnel, labor, materials and equipment necessary to complete the school portion of Project no later than August 12, 2012. If the Project is complete on-time and on-budget, FEI will receive a Design-Build Fee of \$297,000. If one or both of these goals is not met, FEI Design-Build Fee will be \$263,000. In addition, if FEI achieves the Workforce Utilization Requirement, it

will receive an additional \$8,500 in Design-Build Fee.

- (F) **A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with sections 47-392.01 and 47-392.02:**

The Office of the Chief Financial Officer has certified that the contract amount of \$5,252,939 is within the appropriated capital budget authority for the agency in fiscal year 2012 and is consistent with the financial plans and capital budget adopted in accordance with §§47-392.00 and 47-392.02.

- (G) **A certification of that the proposed contract is legally sufficient and has been reviewed by the Office of the General Counsel, Office of the Attorney General, including whether the proposed contractor has any legal claims against the District:**

The proposed contract has been deemed legally sufficient; however, the proposed contractor has two appeals and one protest pending against the District before the District of Columbia Contract Appeals Board.

- (H) **A certification that the proposed contract is current with its District and federal taxes or has worked out and is current with a payment schedule approved by the District or federal government:**

The Office of Tax and Revenue and the Department of Employment Services' Unemployment Insurance Tax Division have certified that FEI is in compliance with the Government of the District of Columbia tax laws and regulations (see attached certifications).

- (I) **Status of Proposed Contractor:**

FEI is certified as a Local, Small, or Disadvantaged Business Enterprise by the District's Department of Small and Local Business Development ("DSLBD"), and has certified that it will award 50% of the subcontract work to Certified Business Enterprises of which 35% will be awarded to small or disadvantaged business enterprises.

- (J) **Other aspects of the proposed contract that the Chief Procurement Officer considers significant:**

All significant aspects of the proposed contract have been provided.

- (K) **A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and reasons for debarment:**

FEI is not debarred from providing services to the Government of the District of Columbia or the Federal Government according to the Office of Contracts & Procurement's Excluded Parties List and the Federal Government's Excluded Parties List.

(L) Where the contract, if executed, will be made available online:

The contract, if approved, will be posted on the Department of General Services web site.

Memorandum

To: Brian J. Hanlon
Acting Director

From: Charles Brown, Esq.
Deputy General Counsel 

Reference: Contract for Design-Build Services – Simon Elementary School
(DCAM-12-M-1031J-FM)

Date: June 15, 2012

Subject: Legal Sufficiency Review

I have reviewed the final form of the Contract for Design-Build Services for Simon Elementary School (DCAM-12-M-1031J-FM) between the Department of General Services and Forney Enterprises, Inc. (the "Contract"), and I hereby certify that the Contract appears legally sufficient. Please be advised that my finding that the Contract appears legally sufficient is premised on the Contract being submitted to and approved by the Council of the District of Columbia as required by Section 1-204.51(b) of the District of Columbia Official Code.

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ETHICS AND GOVERNMENT ACCOUNTABILITY

Office of Government Ethics

VIA EMAIL AND FIRST CLASS US MAIL

CONFIDENTIAL

June 7, 2013

Hon. Marion Barry
John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Suite 102
Washington, D.C. 20004

Dear Councilmember Barry:

The Office of Government Ethics has initiated a preliminary investigation into allegations that in 2012 you received gifts from two prohibited sources, Forney Enterprises, Inc. and F&L Construction, Inc.

Pursuant to D.C. Official Code § 1-1162.12(a), the Director of Government Ethics shall conduct a preliminary investigation of a possible violation the Code of Conduct brought to the attention of the Director of Government Ethics or the Ethics Board through the media, a tip received through the hotline, or documents filed with the Ethics Board. Accordingly, I am asking that you provide a written response to these allegations, including responses to the following questions, by June 14, 2013:

Forney Enterprises, Inc.

1. You disclosed on your Financial Disclosure Statement that you accepted a gift of \$2,800 from Forney Enterprises, Inc. in 2012? What was the nature of the gift? If it was a loan, did you enter into a repayment agreement and/or repay the loan?
2. In what form did you receive the money? (i.e. cash, check, payment directly to a creditor, etc.). On what date or dates did you receive the money? If you deposited the money into a bank account, into what bank account did you deposit it?
3. Did you receive any record of the gift from Forney Enterprises, Inc. including, but not limited to a receipt, invoice, bank statement, check, money order, etc.? If so, please provide copies of any such records with your response to this letter.
4. Were you aware that Forney Enterprises, Inc. was a prohibited source when you accepted the \$2,800?

5. When Contract No. DCAM-12-M-1031F-FM to Forney Enterprises, Inc. initially came before the Council, did you vote on that contract? If so, what was your vote? Did you speak to the measures on that contract? If so, please describe what you said.
6. When Change Order No. 002 to Contract No. DCAM-12-M-1031F-FM came before the Council in June 2013, did you speak to the measures on that change order? If so, please describe what you said.
7. Was there an agreement or understanding that in exchange for the \$2,800 your vote, opinion, judgment, action, decision, or exercise of discretion, in connection with your official duties as a Councilmember, would be influenced in any way to benefit Forney Enterprises, Inc.? Did you agree or was there an understanding that in exchange for the \$2,800 you would take an action or refrain from taking an action that would benefit Forney Enterprises, Inc.
7. Please describe your relationship with the owner of Forney Enterprises, Inc., Keith Forney.
8. Have you ever accepted any gift, other than the \$2,800 referenced above, from Forney Enterprises, Inc. and/or Keith Forney? If so, please provide information regarding that gift/those gifts. Such information should include the date(s) of receipt, the amount(s) and/or value, the form of the gift(s), and, if a loan, whether it has been repaid.
9. Have any members of your family ever received gifts from Forney Enterprises, Inc. and/or Keith Forney? If so, please provide information regarding those gifts. Such information should include the date(s) of receipt, the amount(s) and/or value, the name(s) of recipient(s) and relationship to you, the form of the gift(s), etc.
9. Have Keith Forney and/or Forney Enterprises, Inc. made contributions to your campaigns?

F & L Construction, Inc.:

1. You disclosed on your Financial Disclosure Statement that you accepted a gift of \$4,000 from F & L Construction, Inc. in 2012? What was the nature of the gift? If it was a loan, did you enter into a repayment agreement and/or repay the loan?
2. In what form did you receive the money? (i.e. cash, check, payment directly to a creditor, etc.). On what date or dates did you receive the money? If you deposited the money into a bank account, into what bank account did you deposit it?
3. Did you receive any record of the gift from F & L Construction, Inc. including, but not limited to a receipt, invoice, bank statement, check, money order, etc.? If so, please provide copies of any such records with your response to this letter.
4. Were you aware that F & L Construction, Inc. was a prohibited source when you accepted the \$4,000?
5. When Contract No. CW15382 to F & L Construction, Inc. initially came before the Council, did you vote on that contract? If so, what was your vote? Did you speak to the measures on that contract? If so, please describe what you said.
6. Has F & L Construction, Inc. come before the Council in calendar year 2012 and/or calendar year 2013, to date, for any other matters? If so, please identify the matter and describe any action you took with regard to that matter.
7. Was there an agreement or understanding that in exchange for the \$4,000 your vote, opinion, judgment, action, decision, or exercise of discretion, in connection

with your official duties as a Councilmember, would be influenced in any way to benefit F & L Construction, Inc.? Did you agree or was there an understanding that in exchange for the \$4,000 you would take an action or refrain from taking an action that would benefit F & L Construction, Inc.

7. Please describe your relationship with the owner of F & L Construction, Inc., Freddie Winston.
8. Have you ever accepted any gift, other than the \$4,000 referenced above, from F & L Construction, Inc. and/or Freddie Winston? If so, please provide information regarding that gift/those gifts. Such information should include the date(s) of receipt, the amount(s) and/or value, the form of the gift(s), and, if a loan, whether it has been repaid.
9. Have any members of your family ever received gifts from F & L Construction, Inc. and/or Freddie Winston. If so, please provide information regarding those gifts. Such information should include the date(s) of receipt, the amount(s) and/or value, the name(s) of recipient(s) and relationship to you, the form of the gift(s), etc.
10. Have Freddie Winston and/or F & L Construction, Inc. made contributions to your campaigns?

In addition, please provide copies of any emails you exchanged with Keith Forney and/or anyone associated with Forney Enterprises, Inc., during the period January 1, 2012, to present. Such emails may be provided in electronic or hard copy form. Finally, please provide copies of any emails you exchanged with Freddie Winston and/or anyone associated with F & L Construction, Inc., during the period January 1, 2012, to present. Such emails may be provided in electronic or hard copy form.

Finally, please be advised that pursuant to D.C. Official Code § 1-1162.11(1), the Director of Government Ethics is empowered to require any person to submit answers to questions relating to the administration and enforcement of the Ethics Act, which includes the Code of Conduct applicable to District employees. You are advised that this letter constitutes such a request. Your failure to respond to this letter as requested may result in compulsory action by the Ethics Board or other remedial relief.

This matter currently is not public and will not become public unless or until the Ethics Board has found reason to believe that you have committed a violation and that disclosure would not harm the investigation. See, D.C. Official Code § 1-1162.12(d).

Please let me know if you have any questions or wish to discuss this matter further. I may be reached at (202) 481-3411, or by email at darrin.sobin@dc.gov.

Sincerely,

DARRIN P. SOBIN
Director of Government Ethics
Board of Ethics and Government Accountability

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ETHICS AND GOVERNMENT ACCOUNTABILITY**

Office of Government Ethics

CONFIDENTIAL

October 21, 2013

Hon. Marion Barry
John A. Wilson Bldg.
1350 Pennsylvania Avenue, N.W.
Suite 102
Washington, D.C. 20004

Dear Councilmember Barry:

This letter is to document that on October 18, 2013, you satisfactorily completed the Office of Government Ethics ("OGE") ethics training required by your Negotiated Disposition Agreement, which was fully executed on July 11, 2013.

As you are aware, the Negotiated Disposition Agreement also requires that you pay a total fine of \$13,600, by July 11, 2014. Although, to date, you have paid the initial lump sum of \$6,800 and the first quarterly installment of \$1,700, we note that the first quarterly installment, which was due on October 11, 2013, was received five days late, on October 16, 2013. Please be advised that the three remaining installments of \$1,700 each, which are due on January 10, 2014, April 11, 2014, and July 11, 2014, should be received by this Office by close of business on each of those respective dates.

Please let me know if you have any questions or wish to discuss this matter further. I may be reached at 202-481-3411, or by email at darrin.sobin@dc.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Darrin P. Sobin", written over a horizontal line.

DARRIN P. SOBIN
Director of Government Ethics
Board of Ethics and Government Accountability
